## WHAT IS JOYA JUMPSTART? Our goal is to help children in need

access therapy services in a timely manner and to support continuity of care as children transition out of early intervention. Joya Jumpstart provides speech-language therapy (ST) for children from the age of 3 until they start kindergarten. We address goals related to articulation, expressive and receptive language, social communication, use of alternative and augmentative communication (AAC) devices, and oral motor/feeding skills.

HOW IS JUMPSTART DIFFERENT THAN JOYA'S EARLY INTERVENTION

**SERVICES?** Jumpstart services are separate from Joya's early intervention services and do not include Family Resources Coordinator support. Therapy services are provided in clinic and currently only ST services are offered.

DOES JUMPSTART BILL MY CHILD'S INSURANCE? Yes. Your child's insurance will be billed, and any associated co-pays or deductibles will be expected at the time of services. If you have any questions about the potential cost of services, please contact our billing department at 509-326-1651 ext. 1032.

DOES JUMPSTART OFFER OT OR PT? No. Currently, Joya Jumpstart's program is only offering ST services.

**DOES JUMPSTART OFFER GROUP THERAPY?** No. All Jumpstart ST appointments are individual, at this time. If you are interested in a group context, consider visiting one of Joya's Community Groups!

**WELCOME** If you are interested in adding your child to Joya Jumpstart's waitlist, please fill out the form below and return to your treating therapist, your FRC, or to our front desk.

Child's Name:			Date of Birth:
(Last)	(First)		M.I.)
Parent/Guardian Name:			
Preferred Phone # for Parent/Guardian:		F	Primary Email:
What are your concerns? Has your child received any previous therapies at Joya or other facilities?:
