JOYA GALA AND AUCTION
SPONSORSHIP OPPORTUNITIES

Mission Statement: Joya is dedicated to igniting hope, empowering children and families, and establishing lifelong skills. We provide exceptional pediatric therapy and support services, engage families, and remove financial barriers. Our community is built on inclusion, encouragement, and lasting connections.

Joya's 46th Annual Spring Gala and Auction is our largest fundraiser and ensures we can continue to serve any child in Spokane who needs our services, regardless of their family's ability to pay. By sponsoring the Gala, you can be an integral part of ensuring our community's most vulnerable children receive the therapies they need to reach their potential. With over 500 guests in attendance, sponsoring the Gala is an incredible way to showcase your company's care for some of Spokane's most precious children and inspire others to give as well.

Joya Child & Family Development is a nonprofit Neurodevelopmental Center of Excellence staffed by certified teachers, therapists, pediatric nurses, a pediatrician, and social workers. Founded in 1960 as the Spokane Guilds' School, we provide early intervention services to children and families regardless of their ability to pay. Our work and interventions change the entire trajectory of a child's life, leading to better outcomes in social-emotional and physical health, school, and work.

Last year, we served over 1000 children and the need for our unique and effective program continues to grow. We've added additional programs like our community groups, which are staffed by our therapists and open to all children. As we continually enhance our programs to benefit our community, we need your help.

Joya's model of comprehensive therapy services has proven to be remarkably successful. Last fiscal year over 67% of children served by Joya reached their age-appropriate milestones at or before age three, forgoing special education services in their school districts. By comparison, the national average is 42%. We are changing outcomes for children who are often given dire diagnoses through a personalized, comprehensive program of assessment, therapy, education, and support.

You can be part of our kiddos' successes and enjoy an evening of heart-warming fun by sponsoring our Spring Gala today!
